(b) *Definition of contested case.* “Contested case” means a proceeding in which the legal rights, duties, obligations, privileges, benefits or other legal relations of specific parties are involved. Such a proceeding may involve personnel matters, project applications and docket decisions but shall not extend to the review of any proposed or adopted rule or regulation of the Commission.

(c) *Requests for hearings.* Any person seeking a hearing to review the action or decision of the Commission or the Executive Director may request a hearing pursuant to the provisions of this subpart provided such a request is received by the Commission within thirty (30) days of the action or decision which is the subject of the requested hearing. Requests shall be submitted in writing to the Secretary of the Commission and shall identify the specific action or decision for which a hearing is requested, the date of the action or decision, the interest of the person requesting the hearing in the subject matter of the proposed hearing and a summary statement setting forth the basis for objecting to or seeking review of the action or decision. Any request filed more than thirty days after an action or decision will be deemed untimely and such request for a hearing shall be considered denied unless the Commission by unanimous vote otherwise directs. Receipt of requests for hearings, pursuant to this subpart, whether timely filed or not, shall be submitted by the Secretary to the Commissioners for their information.

(d) *Optional joint hearings.* Whenever designated by a department, agency or instrumentality of a signatory party, and within any limitations prescribed by the designation, a Hearing Officer designated pursuant to this subpart may also serve as a Hearing Officer, examiner or agent pursuant to such additional designation and may conduct joint hearings for the Commission and for such other department, agency or

Pursuant to the additional designation, a Hearing Officer shall cause to be filed with the department, agency or instrumentality making the designation, a certified copy of the transcript of the evidence taken before him and, if requested, of his findings and recommendations. (e) *Schedule.* The Executive Director shall cause the schedule for each hearing to be listed in advance upon a “hearing docket” which shall be posted in public view at the office of the Commission.

Thereafter, the Executive Director shall present the request for a hearing to the Commission for its consideration. The Commission shall grant a request for a hearing pursuant to this subpart if it determines that an adequate record with regard to the action or decision is not available, the contested case involves a determination by the Executive Director or staff which requires further action by the Commission or that the Commission has found that an administrative hearing is necessary or desirable. If the Commission denies any request for a hearing in a contested case, the party seeking such a hearing shall be limited to such remedies as may be provided by the Compact or other applicable law or court rule.
